Individual boxes or buffet assortment?

When planning catering for your event, consider how many people you are serving and how involved you would like to be in the ordering process. This will help you decide what type of package to order.

Order individual boxes when everyone wants to choose their sandwich, breakfast, or own cookie. This will require more legwork for you upfront, but on the day of the event you'll have it easy - we'll put each individual's name on the box!

Order a buffet assortment to take the easy road. We've predetermined our assortments to please a variety of people, so all you will need to tell us is how many will be served and we will take care of the rest.
